2009-2010 SMART Teams
Presentation Phase

Task #6 – Final Abstract for Booklet

Due: 5 March 2010

Task #6 asks you to submit your final abstract to me for the presentation abstract booklet that will be handed out at the oral presentations in March. Your abstract may have undergone revisions since the one that you submitted during the Research and Design Phase. As you develop your poster and oral presentations, your understanding of the project will have matured and you may wish to reflect this in your abstract.

To be included within the abstract booklet, you must submit a final copy by March 5th.
